

**CSR-700 “DIAMOND GLAZE”**  
**SOLVENT-BASED ACRYLIC SEALER**

**DESCRIPTION**

CSR-700 DIAMOND GLAZE is a premixed solvent-based acrylic sealer in a “ready-to-use” formulation of a high quality butyl acrylic copolymer. Additional modifiers are incorporated to enhance the durability of the acrylic solids and provide ease of application as a protective sealer over acrylic-modified concrete overlay systems (i.e. CenturyStone Concrete Coatings).

**TYPICAL USES**

CSR-700 DIAMOND GLAZE is an integral component in the CenturyStone Concrete Repair and Decorative Coating System.

As a stand-alone sealer the CSR-700 DIAMOND GLAZE is excellent protection over a newly installed concrete overlay. It will continue to provide protection well after the complete curing of the overlay. Additionally, CSR-700 DIAMOND GLAZE serves as a top-coat for the CS-600 DIAMOND GLAZE water-based acrylic sealer.

**METHODS OF APPLICATION**

CSR-700 DIAMOND GLAZE is a ready-to-use product that can be applied by roller, brush, broom or industrial sprayer.

**PRIMARY FEATURES** of CSR-700 DIAMOND GLAZE

- High Solids Formula – 30%
- Deep penetration of acrylic solids
- Slip-resistant top coat (with resin sand)
- Maintains cool walking surface
- Unlimited Decorative Applications
- Compatible with acrylic-based products
- Minimal drying time
- Suitable for interior or exterior
- Good abrasion Resistance
- Good chemical Resistance

**APPLICATION INSTRUCTIONS**

Use a clean roller, brush, broom or an industrial sprayer. AVOID PUDDLING. Immediately brush or roll out puddles from drips, spills or over-spray to avoid build-up of unbonded acrylic solids. Clean tools with Zylene or Acetone immediately after use. Apply CSR-700 DIAMOND GLAZE to properly prepared, clean surfaces. For additional slip-resistance add resin sand by mixing in sealer or casting over freshly rolled surfaces. INTERIOR APPLICATIONS MUST HAVE ADEQUATE VENTILATION.

Do not install at ambient temperatures below 50 degrees F.

**COVERAGE**

300-500 SF/gallon.

**PACKAGING**

5-gallon bucket  
Pallet (24 buckets)
